RE: Historic Preservation Application for 2300 California Street NW

Dear Mr. Callcott,

At its regular meeting on September 17, 2018, Advisory Neighborhood Commission 2D (“ANC 2D” or “Commission”) considered the above-referenced matter. With 2 of 2 Commissioners in attendance, a quorum at a duly-noticed public meeting, the Commission approved the following resolution by a vote of (2-0-0):

ANC 2D supports the project as presented at the ANC’s September 17, 2018 meeting based on the understanding that the proposed fence will not be more than 42 inches tall, that the solid picket black iron fence will be compatible with the Sheridan-Kalorama Historic District, and that the location of the fence will be on the property line, with consideration for moving it to an alternate location as suggested by the Sheridan-Kalorama Historical Association.

Commissioners David Bender (2D01@anc.dc.gov) and Ellen Goldstein (2D02@anc.dc.gov) are the Commission’s representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,

David Bender
Chair
