**RE: Anchor Construction Corporation's After-Hours Work Permit Request
for 2320-2330 S Street NW**

Dear Ms. Bouldin-Carr,

At its regular meeting on February 11, 2019, Advisory Neighborhood Commission 2D ("ANC 2D" or "Commission") considered the above-referenced matter. With 2 of 2 Commissioners in attendance, a quorum at a duly-noticed public meeting, the Commission approved the following resolution by a vote of (2-0-0):

ANC 2D supports Anchor Construction Corporation's after-hours work permit request to tie-in water lines at 2320-2330 S Street NW to the water main. The contractor agrees that all residents impacted by this after-hours work will be notified at least 48 hours in advance and that noise will be held to a minimum.

ANC 2D notes that the project contractor, in an exchange of emails, stated that the tie-in work would only take approximately two hours. Therefore, the ANC agrees to a six-hour window of work beginning no earlier than 10:00 pm and ending no later than 4:00 am.

Commissioners David Bender (2D01@anc.dc.gov) and Jeff Nestler (2D02@anc.dc.gov) are the Commission's representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,

David Bender
Chair
